hear from our past couples

Mr & Mrs Ward

"Denise & all the staff at the Radisson Blu, Sligo. We want to take this opportunity to "Thank You" most sincerely for helping to complete our perfect wedding. Everything was faultless, from the attention to detail to the superb food dished out on the day, Joe Shannon excelled! The hotel is very lucky to have such wonderful staff. Denise you allowed me to be worry free throughout the planning, you are fantastic at your job and you helped make my fairytale come true! We are both delighted that we chose the Radisson Blu for our special day & would recommend it to any couple wanting their perfect wedding."

Mr. & Mrs. Stevenson

"Denise, I just wanted to drop you a quick line just to thank you so much for all your work with our wedding. Everything was first class from when we entered the hotel until we checked out the following morning and we really couldn't of wished for more. All your help and work in the months running up to the wedding was amazing and everything we asked for wasn't a problem and we greatly appreciate it. Everyone who attended the wedding complimented the staff, who were outstanding on the day, and Joe the chef was amazing, we received so many compliments about the food. We would like to thank him particularly for the delicious vegetarian options. He made every effort to make sure that all our guests were catered for and the food was plentiful. So Denise thanks so much for everything."

Mr. & Mrs. Lennon

"On behalf of my husband and I, we want to say a massive thank you, to you and the Radisson hotel for the perfect day you all provided us with! It was amazing from start to finish! For all your help in leading up to the wedding, I couldn't have done it without you! For the stunning room, perfect meal and extremely helpful staff, everyone made our day one to remember! Our guests were so impressed with the attention to detail and the warm welcome they received! Words cannot express how grateful we are, for giving us our dream wedding day!"
