

# **Chil**d Admission Policy [Pool]

### **General Policy**

The following is the minimum set of entry requirements for non-programmed activities:

- o All children under 10 should be under constant parental and staff supervision, while in the water.
- o Children aged 0-10 must be accompanied by a responsible adult in the water
- Children aged 11-14 who are not proficient in water\* must be accompanied by a responsible adult who must remain in view of the child in the pool.
- o Children aged 15 and upwards may be unaccompanied in the water.
- o However, groups of more than two children aged 15 years and upwards will not be admitted without adult supervision. This excludes families.

**Unprogrammed Activities** 

#### <Age 10 [Non-swimmers]

- o Parent or guardian must always participate in the water with the child.
- o Parent or guardian should always keep the child within arms-length.
- o There should be provision of a clearly demarcated children's play area.
- This does not include use by the parent or guardian of the Ancillary facilities [Sauna, steam-room, jacuzzi, hot-tub etc.] where they may lose visibility of the child.
- Guardians must be over 18 years of age.

- o Parents or guardians must always keep the child within view. This could be in the Reception Area, Viewing Gallery or from the Gym.
- Walking/standing/sitting on the deck will not be permitted as the adult may get in the way of a lifeguard effecting a rescue or cause a blind spot for a lifeguard.
- Use of the mobile phone while supervising is prohibited in line with our child protection policy.

## Age 11-14 [Proficient in water] \*

- o Parents or guardians must initially attend the pool while the child undertakes a water proficiency test. This can be viewed from the Reception Area, Viewing Gallery or from the Gym as appropriate.
- o The 'Water Proficiency test' will be undertaken by the lifeguard on duty but may only be done during an unprogrammed activity time.
- Note: Only one opportunity will be given in any calendar month to complete and pass this water proficiency test.
- Once declared proficient in water they may then attend the pool without a supervising adult or guardian either alone or in groups of no more than 2 persons.
- \*Definition of proficient in water: Must be capable of swimming one full length of the pool [any front facing stroke] without stopping and of treading water for at least 90 consecutive seconds.

## >Age 14

May attend the swimming pool alone or in groups of no more than 2 children. This does **not** include use of the Sauna, Steam room, jacuzzi etc.
